Company Philosophy

Through professionalism, integrity, experience, quality service and reliability J&R Projects aims to provide the best property service to meet your budget.

J&R Projects has been steadily growing since 2008, serving the commercial and private sectors. Operating within the A9 corridor between Perth and Inverness, the team has developed a reputation as being among the areas finest craftsmen. Our emphasis is on customer satisfaction, high quality workmanship and finishes and our commitment to a job well done.

Painting and Decorating

Our decorators carry out high quality work on a domestic or commercial level. No job is too big or small and our team will carry out detailed free quotes whatever your project entails. Our experienced craftsmen can advise on correct preparation, application techniques, paints for internal and external work, colour choices, stains and varnishes as well as organic and specialist products.

Tiling and Plastering

Natural stone, glass, ceramic or porcelain; our craftsmen have an exceptional reputation for their work tiling work. Floor, wall, kitchen or bathroom, domestic or commercial, we can plan, source and supply the perfect tile for your project. Our craftsmen have recently completed another hotel foyer, wet rooms, a commercial kitchen and many domestic tiling projects. Our plasterers have years of professional experience giving you the reassurance of a high quality finish and the perfect foundation to all your decorating solutions.

Plumbing and Heating

Our most recent addition to the team of craftsmen has been our Plumber. In no time at all we have become involved in plumbing work ranging from boiler servicing, repairs, heating installation and drainage solutions. Our plumber is Gas Safe Registered and OFTEC qualified and will soon become affiliated with some of the country's leading heating manufacturers.

Building and Maintenance

Our craftsmen have completed various building projects including paving and brick pathways, disabled ramps, masonry repairs and car park resurfacing to name but a few. Our connections to the Hotel and Leisure industry have allowed us to provide high quality refurbishment work to hotel rooms, restaurants and leisure facilities whilst working with the busy day to day business of each establishment.

Project Planning

Whether your project is domestic or commercial, large or small J&R Projects can offer a project management package to help manage you through the details of the project. Since 2008 we have worked closely with clients to ensure projects have remained on schedule, on time, on budget, to a high quality finish and ultimately delivering the high quality finish that J& R Projects has committed to deliver.

Training and Development

We are committed to updating our skills to ensure we remain at the top of our profession and provide you and our craftsmen with safe occupational practices. We believe in recruiting the best craftsmen to offer you a courteous, experienced, flexible and skilled service.

Carpentry

Our most recent addition to the team of Tradesmen is our Carpenter. Numerous customer enquiries both domestic and commercial have highlighted to us the importance of providing a high quality carpentry service. Our Carpenter is now fully engaged in satisfying that demand. Recruited specifically for his high quality work and attention to detail our Carpenter is now working as part of the team, fitting kitchens, bathrooms, interior alterations, external building maintenance and many more bespoke projects.

Property Service Packages

Our diverse client base means we aim to satisfy many different customer demands. Our Property Service Package allows you to tailor a unique service designed to your property needs and an immediate response to your most urgent demands. Whether you own an office, a rental property, a holiday cottage or a Hotel, J&R Projects can deliver a year round service of maintenance, repairs, service checks, internal or external upgrades, be it decorating, plumbing, heating, building or maintenance.
